

HAN KJØBENHAVN

PRODUCTION & TECHNICIAN MANAGER

We are looking for a production and technician manager to join our growth journey and team. As production manager you will be responsible for the seasonal placement, management and on time delivery of our apparel production for both womenswear and menswear.

This position is based at Han Kjøbenhavn's headquarter in Copenhagen and requires some travel.

Job Description

- Ensure timely deliveries of sourcing, sampling and production
- Responsible for fitting and standardizing the collection for production in order to meet our standards
- Create and maintain measurement schemes and graduations in Excel
- Prepare working drawings/sketches and detailed specifications in Adobe Illustrator
- Responsible for protos, pre-production and samples follow our guidelines and instructions
- Measurements, adjusting and commenting on proto-, SMS- and production samples
- Daily follow up with partners and vendors worldwide
- Work closely with the design team in the ongoing development of the collections
- Responsible for transforming designs into technical packs to suppliers
- Manage bulk productions from order placement to on-time delivery of products to the warehouse

The Ideal Candidate

You come from a similar background preferably with experience in both mid to high-end sourcing and development. You have an open and positive mindset and thrive finding solutions to challenges. Being organized and systematic is a given for you and you are passionate about garments and fabrics. We emphasize on the following criteria:

- BA Degree specializing in Pattern Design
- Minimum 2 years relevant work experience
- A team player with strong social- and communication skills
- Highly proficient in Illustrator and Excel.
- Ability to develop and maintain strong relationships both internally and with suppliers
- Detail-oriented with strong follow through

We will need your application and CV before February 28 end of business. Interviews will be performed continuously throughout the process. The start date will be after agreement. Compensation and employee conditions will be agreed based on qualifications.

Please send your application and CV to:
Head of Operations, Kristian Rye
