

Project Manager in Han Kjøbenhavn

We are looking for a project manager to our creative team. You will be part of an international fashion house with headquarters in Copenhagen. Growth and creativity are a key driver of the entire organization.

Job description:

- Project management of all creative projects (fashion shows, campaigns, films, shoots, exhibitions, etc.)
- Overlook all details from planning to project reporting
- Overview of the creative project portfolio and resources
- Planning, coordination and management of tasks and resources in all creative projects
- Close collaboration with management
- Ad hoc tasks

The ideal candidate

We are looking for a person with a positive mindset that wants to develop both professionally and personally. We are a growing company and being able to multitask without losing perspective is a required skill. You will have a clear responsibility and will be part of a team where it is expected that you contribute positively to cooperation and well-being. We emphasize the following:

- Level of education: bachelor / professions bachelor from, e.g. Media Production and Management or equivalent, business schools.
- You have min. 2 years of experience as a project manager in a creative company
- A team player with good social skills
- Understanding of the creative dynamics, including the balance between the creative output and the business value
- Structured and follow through on the tasks you are involved in
- Interest in fashion and culture

Please send your application and CV to us before September 4. Salary according to qualifications. We will conduct interviews on an ongoing basis.

About us

Han Kjøbenhavn is a Copenhagen-based fashion house. Through Founder and Creative Director, Jannik Wikkelsø Davidsen's interest in storytelling, culture and film production, Han Kjøbenhavn has developed into an international brand within ready-to-wear men's, women's clothing as well as accessories. Han Kjøbenhavn is known for its uncompromising style and storytelling, where cultural and human contrasts are used as driving forces. The aesthetics blend raw suburban culture with avant-garde Scandinavian design. Creativity and innovation are an embedded part of the culture in the company and the work environment promotes creativity, contributions, and collaboration.
